

אל תתהלך כפועל גאון

DO NOT WALK LIKE A BIG SHOT

A person should always keep in mind that the Shechina is on top of everything, all over the world. He should walk in a way that shows respect for the Shechina. He should be careful not to walk like a big

walk like a big shot with his shoulders back and his chin out. He also should not walk all bent over. Instead, he should stand straight, with his chin a bit down so he can see his feet.
