

שְׁנַיִם מִקְרָא וְאַחַד תַּרְגוּם

READING THE PARSHA OF THE WEEK TWICE WITH ONKELOS

We read the weekly Parsha three times - twice in Hebrew and once with Onkelos (its Aramaic translation). If possible, we should also study it with Rashi and finish all of this by Friday afternoon.

Otherwise, we should try to finish saying it by Shabbos afternoon. If we are not able to, we should try to do it by Tuesday - or Simchas Torah at the latest!
